

Lotus Global School

DEVELOPMENTAL STAGES AND ASSESSMENT SCHEME

Lotus Global School follows a holistic, developmentally appropriate and competency-based assessment framework aligned with the principles of NEP 2020, the National Curriculum Framework and CBSE guidelines. The assessment system is progressively structured according to the developmental stage of learners, moving from holistic developmental reporting in the Foundational Stage to competency-based and structured academic assessment in the Preparatory and Middle Stages. The school uses assessment to monitor learning progress, identify learning needs and support the overall academic and personal development of every learner.

DEVELOPMENTAL STAGES:

Developmental Stage	Classes	Approx. Age	Key Developmental Focus
Foundational Stage – Early Years	Nursery, LKG, UKG	3–6 years	Holistic development, language, early numeracy, physical, creative and socio-emotional development
Foundational Stage – Primary	Grades 1–2	6–8 years	Foundational literacy and numeracy, communication, curiosity and learning habits
Preparatory Stage	Grades 3–5	8–11 years	Conceptual understanding, application, inquiry, problem solving and collaboration
Middle Stage	Grades 6–8	11–14 years	Subject-specific understanding, critical thinking, application, higher-order thinking and independent learning

ASSESSMENT SCHEME

A. Nursery, LKG & UKG – Foundational Stage

For the early years, assessment will be **developmental, holistic and descriptive**, rather than based primarily on marks or formal examinations.

Class/ Stage	Primary Focus	Key Assessment Components
Nursery (Age 3-4 years)	Socialization, motor coordination, verbal expression, and sensory play	Visual & auditory recognition • Fine & gross motor development • Self-care habits & social interaction • Basic vocabulary & rhyme recitation
Junior KG (Age 4-5 years)	Pre-reading, pre-writing, basic numeracy, and environmental awareness	• Letter-sound recognition (Phonics) • Number identification & counting • Pencil grip, tracing, & colouring skills • Listening comprehension & storytelling
Senior KG (Age 5-6 years)	School readiness, simple sentence formation, basic addition/subtraction concepts	• Sight word reading & sentence tracing • Number sense, patterns, & simple math • Logical thinking & classification • Fine motor control & independent tasks

B. STAGE WISE ASSESSMENT SCHEME: STD 1-8

Stage / Classes	Primary Focus	Key Assessment Components	Co-Scholastic & Skill Assessment
Foundational Stage (Classes 1 & 2)	Stress-free learning, foundational literacy & numeracy (FLN)	Continuous observation Oral assessments Classwork & activity performance Reading & speaking skills	3-Point Grading Scale (A–C) Focus on art, physical activity, personal traits, and habits
Preparatory Stage (Classes 3 to 5)	Conceptual understanding, basic writing, and application	Periodic / Unit Tests Term-end Written Assessments Subject Enrichment (Projects/Labs) Portfolio & Notebooks	3-Point Grading Scale Art Education, Health & Physical Education, General Knowledge
Middle Stage (Classes 6 to 8)	Higher-order thinking, critical analysis, subject specialization, and exam readiness	Periodic Tests (PTs) Multiple Assessments (Quizzes, Vivas, Debates) Portfolio & Homework Submissions Subject Enrichment Activities Half-Yearly & Annual Examinations	3-Point Grading Scale Art, Work Education, Physical Education, and Discipline/Attitude
